PREVENT AND TREAT SKIN PIGMENTATION

DermaQuest™ Skin Therapy Skin Vitalight is a hydrating lotion that evens skin tone and reduces pigmentation with melanin-suppressing peptides and a powerful combination of lightening herbal extracts. This non-hydroquinone, non-AHA product also protects skin cells with potent antioxidants.

DermaQuest™ Skin Therapy is available from selected beauty clinics nationally. www.dermaquestinc.com RRP \$70 for 60ml

ESSENTIAL STUFF

Essential Stuff's Pomegranate and Citrus Burst Body Butter, part of Australia's first natural pomegranate body care range, heals and transforms skin. A unique blend of pomegranate and other 100% active ingredients, including vitamins B and C, work to rejuvenate the skin and protect it from free radicals. This divine

body butter also works to retain moisture and stimulate collagen production, leaving skin feeling stronger and looking brighter. *Essential Stuff Pomegranate and Citrus Burst Body Butter can be purchased online at www.essentialstuff.com.au or through selected stockists. RRP \$37.95 for 250ml*

Nourishing Lip Balm RRP \$14.95 for 15ml

Detox Your face RRP \$29.95 for 50ml

DUAL FINISH FOUNDATION

Can't choose between a liquid and a powder foundation? Now you can have both! Known for their amazing foundations, Youngblood Mineral Cosmetics is proud to introduce a new, advanced makeup formula to its line. Mineral Radiance Crème Powder Foundation is a long-wearing, lightweight 2-in-1 cream-to-powder foundation that combines the great coverage and light reflecting qualities of a liquid foundation with the shine-controlling, skin-smoothing benefits of a mineral powder.

www.youngbloodmineralcosmetics.com.au RRP \$89.95

NUTRIGANICS

The Body Shop launches Nutriganics™, a certified organic skin care range that carries the world-respected ECOCERT mark. Specially designed to address the first signs of ageing, this high-performance collection offers a full skin care regime of cleansers, toner, moisturisers and a deep cleansing mask. With velvety textures that melt into the skin and essential oils and natural fragrances to delight your senses, skin is left looking smooth and revitalised and velvety soft to touch. Harness the revitalising power of organic ingredients to visibly improve your skin.
