Anti-Aging SPF15 Day Cream ▶

Skin protection comes naturally with this lightweight moisturising day cream that also provides a broad spectrum SPF 15 barrier to protect skin against harmful UVA/UVB rays without clogging pores. This moisturising cream provides daily invisible protection to reduce the appearance of fine lines and help prevent signs of premature aging resulting from sun exposure. Suitable for all skin types, including sensitive skin. Comes in a convenient tube, which is easy for travel. RRP \$29.95. To order visit www.organicfactoryoutlet.com.au.

◀ Stay Active This Summer

Made in Europe, the highest quality active wear has been developed for hot summer activities. It is a light, delicate sportswear made in seamless technology which guarantees maximum comfort during use. It provides freedom of movement, highlights body sculpture whilst still allowing the skin to breathe. It has perfect breathability properties thus preventing unpleasant odours. RRP: \$45. For wholesale enquiries call Kasia Pilch-Kozina on M: +61 (0) 423 497 533 or buy online at www.globewalker.com.au

▲ The Power of Pomegranate

Essential Stuff's organic body care range is this summer's must have product for those looking to transform their skin and rapidly reverse the signs of aging. Made from nature's super fruit, pomegranate, with 100 per cent active ingredients and no artificial colour or fragrance, it is one of the most natural and effective ways to rejuvenate the skin that is available on the market today. RRP: From \$23.70 visit www.essentialstuff.com.au

◀ COVERING UP HAS NEVER LOOKED THIS GOOD
