Sleep in pregnant peace

EXPECTANT mums can now sleep peacefully and even roll from side to side, thanks to an innovative pillow.

The stylish, double-sided Ready2Roll solves the common complaints associated with pregnancy and sleeping.

Designed by **Alison Johns** during her fifth pregnancy, it comprises two pillows joined by an adjustable middle panel, making turning over easier than ever.

Better still, hubby will be happy you're not dragging bulky pillows across the bed every time you want to roll over.

Available in mustard, navy, burgundy and black, the machine-washable pillow is available online for \$79.95 at www.rrpregnancypillow.com.au.
